## A Course in Miracles:

Each Sunday we study and practice the teachings of "A Course in Miracles." Sam's sharing of songs and our group's heartfelt communication make this a loving and joyful practice.

We conclude with fellowship around our dining table. All are encouraged to bring a snack for themselves if they stay for this activity.

Guided by the Holy Spirit, our Director Sam sensitively addresses the Spiritual needs of all present. We invite you to come and experience the relief of being fully accepted for who you are as a beloved child of God.
