A Course in Miracles

Each Sunday we discuss the teachings of **A Course in Miracles**. Sam's "Sacred Playlist" of music and our group's heartfelt sharing make this a joyful and loving weekly group.

We conclude with food, fellowship, and games. You are welcome to bring a snack for yourself if you stay for this activity.

Guided by the Holy Spirit, our Director Sam sensitively addresses the Spiritual needs of all present. We invite you to come and experience the relief of being fully accepted for who you are as a beloved child of God.
