

## The Christ Community Center – “Who We Are” – Sam Voight

The above quote could have been uttered by the Christ Community Center's Executive Director himself! Samuel E Voight, Jr. has walked "the path of Paul" in his life -- figuratively, AND literally. At 17, while in the Air Force and stationed in Turkey, Sam walked Paul's path, and visited the sites of the ORIGINAL Churches. Always led by the Holy Spirit, Sam follows His guidance unquestioningly, even when it does not "make sense." And it was this guidance that led him to a life-changing experience in 1995. Christ's Living Presence "fully awakened" within Sam. The sense of "I am" was no longer that of the "character of Sam", but was Christ Himself. Needless to say, Sam's personal life was turned upside down as a result of this event. Wanna know how things unfolded? Sam invites you to visit the Christ Community Center, where you can meet him and hear what it's like to live with the ongoing awareness of Christ's Living, minute-by-minute Presence within.
